Logistics

Attendance - one class absence will result in the deduction of two points out of 100 points. Five absences will not result in ten point deduction, but "failure" (i.e., grade 'F') in this course.

Exam - there will be midterm exam and final exam for the evaluation of the knowledge learned from the class.

Homework - much intensive homework will be set. Any cheating (or copying) will result in grade 'F'.

Evaluation

Attendance (10%), Homework (20%), midterm exam (30%), final exam (40%)
